Adaptive Hiking with Community Inclusion

Every week, our Community Inclusion program visits a different park for a hike, using specially adapted wheelchairs that allow participants to navigate the bumps and dips along the trail with ease.

Ginger's Anniversary Party

On July 4th, our Ginger celebrated 14 years living at Centrepont! She had a party at McDonalds and some friends came to enjoy her scary ice cream cake.

Venture Living's Celebration Day 2026

Every July we celebrate summer at Paddlewheel Hall with food, music and friends. This year we also announced our name change from Venture Training to Venture Living with new T-shirts enhanced with a new logo and pins and pens to give out. This year's theme was "Earth and Ocean" a perfect celebration of green and blue!

We're Becoming Venture Living!

We've officially begun our transition to Venture Living;
a name that better reflects who we are today.
Same commitment. New name.
